CONSORTIUM – 2025

A National Level Students Technical Fest

(31 October - 1 November, 2025)

EngiVision 2025 – "Imagine. Innovate. Inspire."

1. Event Description:

The **Poster Presentation** is an engaging technical event designed to encourage students to showcase their innovative ideas, research findings, and creative concepts through visually appealing posters. Participants will present their ideas concisely, combining both technical depth and design aesthetics. The event aims to develop communication skills, technical understanding, and presentation abilities among students. Each participant or team will be given time to explain their poster to the panel of judges and answer questions related to their topic. This event provides an excellent platform to exchange knowledge and explore interdisciplinary innovations.

2. Rules and Regulations
